SkillsUSA	SkillsUSA is a vocational association with affiliations that range from local to international. SkillsUSA is said to be a <i>"partnership of students, teachers and industry representatives working together to ensure America has a skilled work force."</i> Through SkillsUSA our students here at DATA are able to develop both leadership skills and community service aptitudes. SkillsUSA serves students in preparing them for a variety of skills in trade, technical and skilled occupations. SkillsUSA helps provide a forum for young adults to develop social skills in a safe and enjoyable way. Every year vocational	Every other Thursday at lunch in Mr. Stuyvesant's Room	If you have any questions regarding SkillsUSA please contact: Mr. Sievert, Mr. Stuyvesant, or Mr. Fajardo (p.sievert@datacharter.org , joshua.stuyvesant@datacharter.org , or rudy.fajardo@datacharter.org).

<p>SkillsUSA (continued)</p>	<p>competitions are held by combining all these skills in to a fun and valuable learning experience. The competitions allow students to showcase their talents in front of a great range of people, giving them confidence not only in themselves but in what their teachers here at DATA have taught them. SkillsUSA is great experience and is open to all full time DATA students. Encourage students to join SkillsUSA, and help in <i>“Preparing for leadership in the world of work.”</i></p>
